

# experience InterFaith

"building bridges of understanding & respect..."

Please join us for the "12<sup>th</sup> Annual Experience Interfaith", in collaboration with ASU's Sun Devils Are Better Together (SDABT). This is a community-building event where you can expand your understanding at an inspiring night under the stars at Heritage Square in downtown Phoenix with:

- A Faith Fair Reception: Practitioners of many different faith traditions will be available for questions. It's a great place to learn and there is no proselytizing.
- A Sikh Langar: Sikh volunteers will graciously serve the free community vegetarian dinner, the Langar, (prepared/donated by Sikh-owned restaurants,) in keeping with their religious tradition. (Note the very interesting history of this tradition on our website.)
- An Interfaith Discussion: Moderated, insightful questions and stimulating conversations to further understanding and respect, of other faiths.
